

CartWheel::Physics::CollisionDetectionPrimitive

```
classDiagram
    class CartWheel_Phy_CDP [CartWheel::Physics::CapsuleCDP]
    class CartWheel_Phy_CDP_Prim [CartWheel::Physics::CollisionDetectionPrimitive]
    CartWheel_Phy_CDP --|> CartWheel_Phy_CDP_Prim
```

The diagram illustrates a class hierarchy. At the bottom is a light gray box labeled 'CartWheel::Physics::CapsuleCDP'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'CartWheel::Physics::CollisionDetectionPrimitive'. Both boxes have black borders.
